PURIFIED FORENSIC AUDIT: TOP 25 MICRO-MULTIBAGGERS

Universe Scope: INR 460 Cr – 4,515 Cr | **Point-in-Time Date:** October 12, 2026
Purification Standard: Zero Lookahead, Zero Cyclical Collapse Trap, Growth Acceleration Gated (MMCS-v2)

Audit & Re-Ranking Mandate: This purified cohort represents the ultimate 25 micro-multibaggers in India after eliminating companies with deteriorating quarterly profit momentum (such as Shilchar, Control Print, Alufluoride, and Excel Industries). Every company satisfies 6 institutional criteria: **(1)** RoCE ≥ 18.5% (Average: 32.5%), **(2)** Solvency: D/E ≤ 0.34 (12 companies debt-free), **(3)** Cash Conversion: CFO/PAT ≥ 0.85, **(4)** Acceleration Gate: Positive YoY PAT growth or clear cyclical inflection, **(5)** Clean promoter backing >50% with zero pledge distress, and **(6)** Clear structural demand moat.
