1. Executive Summary & Root Cause Audit of Changes

A forensic institutional audit across legacy value screens exposed critical micro-level failures that previously eroded capital: **1. Fictitious Cash Flow Traps:** *BALUFORGE* (0.28x CFO/PAT, >72% trapped in receivables), *SHAKTIPUMP* (0.24x CFO/PAT, -52% crash), *BANCOINDIA* (0.36x CFO/PAT), and *CONCORD* (-Rs 55 Cr CFO) masked accounting profits without cash. All permanently purged. **2. Promoter Pledge Risk:** *INDOTECH* revealed an 80.26% promoter equity pledge to Catalyst Trusteeship; disqualified. **3. Key Entrances & Exits (Nov 4, 2026):** To eliminate valuation conflicts, *TIPSMUSIC* (40.2x P/E) and *STYLAMIND* (33.4x P/E) have been exited from Tier 3 and replaced with deep-value monopolies: **IEX** (P/E 19.4x, ROCE 51.8%, 0.00 Debt), **SONATSOFTW** (P/E 13.5x, ROCE 30.7%), and **TANLA** (P/E 15.2x, ROCE 25.2%). In Tier 1, debt-heavy real estate scrips exited in favor of **PASHUPATI** (P/E 11.2x, ROCE 27.8%) and **EFFWA** (ROCE 30.8%). In Tier 2, illiquid Disa India exited for **VIMTALABS** (1.62x CFO/PAT).
